

What is Agile Working?

DOCUMENT EXCELLENCE DAY – OCTOBER 4 2017

Agile working Terms.....

For all the benefits that flexible working brings
and the new ways of working offered by Technology
none of it happens without TRUST

Working remotely – where do we work?

Where is our data?

From this

To this

EMPOWERING OUR LAWYERS BY CREATING A SECURE AND PRODUCTIVE ENTERPRISE NETWORK

What changes have we made

The Rise of the Millennial Lawyer? When, Where, Why?

Traditionalists:	Born before 1946
Boomers	1946 - 1964
Generation X (Gen X):	1965 – 1980
Millennials or Generation Y (Gen Y):	1981 - 2000

- Has how we deliver training changed/is changing?
- Are we expecting people to be 'intuitive users' when really our technology is far from intuitive?

I suppose if everyone understood Styles (and UKDEG) that would help.

- If we are all working remotely and at different times of the day how do we securely share knowledge and communicate?
- Who is training lawyers in documents these days
